Pellicano Hotels kicks-off the 2020 Season

A fresh twist with the same magic

ROMA, 12 May, 2020 - Pellicano Hotels will reopen the doors to its fabled property in Porto Ercole on June 26th, 2020. Il Pellicano will welcome guests as it was done in the 70's, recalling the property's original spirit. This intimate 'club' setting will open with 25 rooms out of the hotels' 52, making this little piece of Tuscan paradise as cosy as home, a small and perfect 'Casa Pellicano'.

The opening comes as a celebration of Italy and an ode to Tuscany. Daily menus will focus on culinary traditions using fresh products from the region. Tuscan wine tasting, cheese and different produce sampling will be available on a weekly basis. Products will be sourced locally, giving guests the opportunity to truly enjoy what the region has to offer, and supporting local farmers and producers.

La Posta Vecchia will also reopen with a new option for the 2020 season. The Scio's spent part of the Italian lockdown reliving the magic history of La Posta Vecchia as a family home and it will be available for rent on an exclusive basis. This unique experience includes the 15-room home, minutes from the beach, a six-acre park complete with a vegetable garden harvested for the kitchen, a small team to make your stay as special as always and a sea view.

Mezzatorre, the Group's fabulous new hotel in Ischia, will concentrate on renovation projects and prepare to welcome Friends and guests in 2021.

The hotels' number one priority is the health of guests and staff, and they have adopted top sanitation measures and procedures that are in compliance with the WHO guidelines and adhering to the Italian national and regional laws.

Pellicano Hotels manages three of Italy's most fabled hotels, where luxury is timeless yet understated. Hotel Il Pellicano is a five star seaside hotel in Porto Ercole, offering 50 rooms and suites in a pristine Tuscan cove. La Posta Vecchia, prior home to Roman Emperors and Jean Paul Getty, is a 19 rooms and suites luxury hotel 30 minutes from Rome. The Mezzatorre Hotel & Thermal Spa is a 57 rooms and suites luxury hotel tucked into 7 hectares of Mediterranean scrub in Ischia.
