

HOTEL IL PELLICANO

Welcome to Hotel Il Pellicano, where luxury is timeless yet understated, it is in the atmosphere, a gesture, and any number of small details. Open for 'the season' the hotel captures the loveliest times in Italy from spring to autumn, when sunlight glints off the fresh seas lapping Il Pellicano's private cove. The hotel spills down Monte Argentario into a secret cove of rare beauty, between Rome and Pisa, in Porto Ercole.

ROOMS

Terraces dripping with bougainvillea and sea views to die for - sleeping at Il Pellicano is a dream. Il Pellicano is composed of six cottages and a main building and it's a cluster of villas built in part by the Grahams and later transformed into 47 welcoming hotel rooms. Interiors are created by Marie-Louise Sciò, with light Tuscan references and the results show a deft touch.

GYM

A true sports suite located behind the tennis courts, our brand new indoor/outdoor state-of-the-art gym includes a complete set-up for fitness activities and is outfitted with the latest in Technogym equipment. The outdoor space offers the perfect private setting to work out with TRX equipment, surrounded by olive trees.

RESTAURANTS & BARS

A lunch at the Pelligrill is perfect for savouring the catch of the day and traditional Tuscan cuisine, while the stellar Il Pellicano restaurant stands out for its fine dining menu created with the best local ingredients. A visit to the Bar All'Aperto is a must: the bar manager Federico Morosi, as well as his cocktails, are a true institution of the hotel. Bar Roberto is the perfect choice for an evening of entertainment with a piano bar atmosphere.

PELLICLUB

The Pelliclub offers a 360-degree experience: a caldarium, 3 treatment rooms, private showers and a shiatsu mat room. It features a complete catalogue of services from manicures to coiffure, and a range of high quality products. The brand new indoor/outdoor state-of-the-art gym includes a complete set-up for fitness activities and is outfitted with the latest in Technogym equipment.
