

Welcome to Mezzatorre Hotel & Thermal Spa, a peaceful oasis proudly dominating the Gulf of Naples. Open for 'the season' the hotel captures the loveliest times in Italy from spring to autumn. Mezzatorre's century watchtower sits above a private bay, thermal waters spring up into the spa pools. The castle of Mezzatorre has a fascinating history, Pellicano Hotels has embraced it, adding a dash of Pellicano personality.

ROOMS

The Mezzatorre welcomes guests in a stunning setting without equal. The 52 rooms and suites are located either in the old tower and the cottages, set in a large park of 7 hectares, surrounded by the Mediterranean maquis and overlooking the sea. La Torre rooms have views above the sparkling bay, rooms in the park cottages are infused with pure pine air. Sleeping at the Mezzatorre is a dream.

WELLNESS & SPORT

Both the wellness centre and the gymnasium, are housed in the 16th Century watchtower. The Wellness Centre offers different mind and body treatments, with 2 cabins for massages, 2 for beauty treatments, 1 dedicated to manicure and pedicure and an area reserved for osteopathic treatments. The gymnasium offers Technogym equipment. Personal trainer, yoga and pilates classes are available on request.

RESTAURANTS

The restaurant La Baia overlooks the pool and the bay, capturing all the freshness of the sea. The catch of the day is prepared in different delicious ways and the traditional cuisine of Campania region, is preserved and enriched with the personal touch of the Chef. The cuisine of La Torre Restaurant draws from the regional gastronomic traditions and widens its borders, taking shape in divine dishes.

THERMAL SPA

Ischia is the oldest destination Spa in the world and the hotel's Thermal Centre draws from this heritage offering a holistic wellness concept. The island's precious thermal waters, flow at 38° from the hotel's private spring into 3 hydrotherapy pools with views over the Gulf of Naples. The thermal waters of Ischia, as well as the mud made with that water, are a real asset to cure various diseases.

SPA BOUTIQUE

The boutique is an eclectic collection curated by Marie-Louise Sciò, from beach chic to glamorous evening wear like shorts by Frescobal Carioca, sunglasses by L.G.R. and LaDoubleJ creations. There are delicious unctures and ointments from the spa's two select suppliers for face, body and sun tanning. Choose from Santa Maria Novella, and the biological botanical perfectionists Biologique Recherche.
